The NUECES RIVER AUTHORITY will receive sealed Bids or the

On Site Septic Facilities Evaluation, Repair & Replacement Project

Bids must be delivered to, and be on file with, John J. Byrum II, Executive Director, Nueces River Authority, 500 IH 69, Suite 805, Robstown, Texas 78380, on or before 3:00 PM, August 4, 2023, when all bids will be publicly opened and read aloud.

The project Nueces River Authority has contracted with the Coastal Bend Bays and Estuaries Program (CBBEP) to administer the On-Site Septic Facilities (OSSF) Assistance Program. This is a two-year program to provide the following services in disadvantaged communities. The contractor selected to assist NRA with this project will receive work orders from the NRA Contract Administrator to (1) inspecting the existing septic services of resident referenced in the work order, provide recommendations and pricing for pump outs, repairs, and replacement of the targeted number of OSSF's. The project will be implemented in the colonia areas located in Jim Wells, Nueces, and San Patricio Counties with the prioritized focus being in the Colonia's with the closest proximity to receiving water bodies, such as creeks, streams, and rivers. The expected outcome of the project is improved water quality in the Coastal Bend through load reduction of both bacteria and nutrients.

Contract Documents including bidding and contract forms, technical specifications, and construction drawings are available electronically via the internet at no charge at www.nueces-ra.org. Potential bidders obtaining electronic copies of the Contract Documents via the internet must register with the Nueces River Authority to ensure receipt of any addenda or other communication that may be issued.

The Nueces River Authority reserves the right to reject any and all Bids received and to waive any and all formalities in regard thereto. Bids will remain subject to acceptance for 90 calendar days following the Bid opening as specified in Section 105 of this document. All questions with respect to this bid opportunity shall be directed to Lorie Flores, Manager – Resource Protection, Nueces River Authority at lflores@nueces-ra.org.
