

SEPTIC SYSTEM INSPECTIONS

Since 1935

The Nueces River Authority is offering free septic system inspections to homeowners within the Lower Nueces River Watershed. With your permission, a licensed septic inspector will evaluate your septic system to verify if it is functioning properly. This program will also offer system repairs or replacements to qualifying homeowners, free of charge, as long as funding is available.

Areas that will be targeted will be based on distance from the river or one of its tributaries, within the FEMA 100-yr floodplain, neighborhoods w/ small lots, age of the systems & areas where no permits were recorded in known subdivisions.

How to apply? Javier Ramirez / Nueces River Authority

ARTICLE 3. ACKNOWLEDGMENT OF FINANCIAL SUPPORT

The Performing Party shall acknowledge the financial support of the TCEQ and the U.S. EPA whenever work funded, in whole or part, by this Agreement is publicized or reported in news media or publications. All reports and other documents completed as a part of this Agreement, other than documents prepared exclusively for internal use within the TCEQ, shall carry the following notation on the front cover or title page:

PREPARED IN COOPERATION WITH THE
TEXAS COMMISSION ON ENVIRONMENTAL QUALITY AND
U.S. ENVIRONMENTAL PROTECTION AGENCY

This project has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement (number) to Texas Commission on Environmental Quality. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does the EPA endorse trade names or recommend the use of commercial products mentioned in this document.
