

# Nueces River Authority

**The Nueces River Authority Board of Directors has rescheduled its previously announced May 15<sup>th</sup> Board Meeting to Thursday, May 21, 2026. This provides additional time for a final comprehensive review of information and materials related to the selection of a Project Developer for the Harbor Island Seawater Desalination Plant. In addition, the board will review information from the special purpose committee appointed at the May 8th Board Meeting to investigate allegations raised by an NRA employee and take appropriate action.**
